Interview with Artist Jessica Newell

Before moving to Cleveland's Arts Quarter, Jessica was biking from Cleveland Heights to Cleveland State University where she was teaching.

She moved to the Tower Press Building to be with other like-minded artists. Jessica feels the loft is calming, while meeting with artists is invigorating. Jessica's Gallery, located in the 5th Street Arcades in Downtown Cleveland, features her art work and other fine Cleveland artists.

According to Jessica, "Cleveland is booming. I think people are beginning to realize what the city has to offer and are continually finding great creative spaces to live."
