ArtSpace by the Numbers

Founded in 2001 ArtSpace-Cleveland helps artists find studio spaces to live and work in Cleveland and NE Ohio

ARTISTS NEED SPACE

- An artist wants to rent an artist studio in Cleveland - possibly to buy a building in the future. "Finding access to raw space in Cleveland is difficult ... thank you ArtSpace-Cleveland for your help."
- Looking for a light-filled space (work only) to paint and design in a community of artists.
- Found ASC in the Cleveland Magazine Gallery Guide, a portrait artist wants to move from her small apartment to a live-work artist loft (**NO HIGH CEILINGS** - too costly to heat and not energy efficient). Can spend \$400/month.

The Parma Lapidary Club contacted ASC on-line when they needed to move from West 25th to a new location.

ARTIST INQUIRIES WHERE ARE THEY NOW?

Metal sculptor Ed Zmarzly is the new owner of [Light Sculpture Works](#), a full service art foundry. He recently designed an amazing steel garden for the Chagrin Valley Art Center, giving the CVAC its own

personality among the other storefronts in Chagrin Falls.

Welcome to Adam Rosekelly, artist/architect, now located in an artist live-work building at 1400 East 30th Street.
