

***Cleveland by Choice:*** Interview with photographer Dan LaGuardia, founder of [Lake Affect Studios](#) and new building owner in the [St. Clair/Superior Arts Quarter](#)

"I have lived in Cleveland my whole life. As I got closer to finishing school, my business partner Amanda Sinkey and I realized we were going to need a place other than our homes in order to work and conduct a successful photography business.

We decided to find a building where we could house multiple artists, not only as a way to generate income, but as a means to form a creative support group.

***Launch of Lake Affect Studios:*** We found a building that fit our needs at 1615 E. 25th Street in the city's [Campus District](#). The area

is close to many artist studios and Cleveland State University, with easy access to four major highways. We are excited to be a part of the St. Clair/Superior creative community." Contact Dan at [danny@lakeaffectstudios.com](mailto:danny@lakeaffectstudios.com) and on Facebook to arrange a tour.
