

ArtSpace by the Numbers

ArtSpace-Cleveland continues to do its part to help artists find places to live and work in the city of Cleveland. The end of summer saw an increase in artist inquiries - many wanted work only or a sublet.

Tower Press Group, a new creative incubator in the Tower Press Building is looking for tenants. This is an opportunity for a small creative business to share a business space with other creatives.

Contact Dan Morgan: rex@straightshooter.com or visit www.TowerPressGroup.com for more info.

Sublet available at 1400 East 30th Street. For info contact valeriemayen@gmail.com
